

**RCMP NATIONAL CONFERENCE
ON ILLEGAL MARIHUANA GROW OPERATIONS**

**2004 November 2nd & 3rd
Ottawa, Ontario**

PURPOSE

The first national conference of its kind in Canada, it provided an opportunity for the 155 participants from across Canada in law enforcement, government and the private sector, to discuss and work towards shared solutions to the many challenges caused by illicit marihuana grow operations.

The goals of the 2 day conference are to:

- Discuss community impact
- Examine successful best practices
- Identify areas where more work needs to be done
- Have all parties assist in developing solutions at the national level
