

MOTION ARISING

WHEREAS the Calgary Transportation Plan envisions a pivotal role for transit in achieving the long term mobility goals of Calgarians.

AND WHEREAS during public consultation on the 2012-2014 three year budget and business plan, transit service was rated as a high priority by Calgarians.

AND WHEREAS the fiscal targets set by Council meant reductions were made to inefficient service and plans for investments in new transit and Access Calgary service could not be realized.

AND WHEREAS \$1.0 million per annum of funding was provided by Council during budget deliberations to support limited improvements.

THEREFORE BE IT RESOLVED that Administration be directed report back to Council through the Standing Policy Committee on Transit and Transportation, in 2012 January, to provide an update on:

- a) The improvements that will be made over the three year period as a result of the additional funding provided to Calgary Transit during budget deliberations;
- b) An assessment of the efficiency and service reductions approved as part of the 2012-2014 business plan and budget;
- c) As assessment of the impact to Access Calgary customers of the increase in un-accommodated trips;
- d) The list of Unfunded transit service improvements for the 2012-2014; and
- e) Projections for fuel costs for 2012 and the budgetary impacts.
